Date
February 2008

Members,

Well, we are well into 2008, with many already having kids on the ground. Here's hoping your kidding season goes well and you get the results you have been striving for.

Planning is well underway for area spring shows, we have a few listed, and will be happy to list any that we receive information on.

The state ODGA meetins will be coming up of February 24th, so keep that in mind if you have any issues that you would like to see implemented.

Unfortunately I was unabel to attend our January SWODGA meeting, so our President will update you on any necessary news from the meeting.

Application for YOUTH SHOWMANSHIP AWARD CERTIFICATE

The Youth Showmanship Award shall be made at any show judged by an official ADGA judge, even if the show itself has not been officially sanctioned by ADGA.

The purpose of this award is to recognize youth who have strived to excel in showmanship. Please fill in the information in the blanks below as it pertains to the showmanship groups in your show (i.e.: Junior, Intermediate, Senior Showmanship, etc.). Certificates will be awarded to each group who has five or more contestants. If groups compete for a Champion Showman, and there are less than five in each group, but at least five participants in all groups combined, then the Champion Showman will be awarded a certificate.

Each contestant must show his or her own project animal, and the judge shall require the contestants to change animals during the showmanship judging in order to make them eligible to compete for this award.

This application must be filled out by the show champion, or other show official, signed by the adult champion or superintendent and the judge, and mailed to the ADGA office to receive a certificate.
